Pledges are based on a fair share model. The charts below show the fair share amounts for individual and household pledges. In households where only one adult becomes a member, please refer to the chart on the left. In households where two adults become members, please refer to the chart on the right. The rates apply regardless of the number of children under 26. Adult children who are 26 or older must join separately. If your gross income is between the stated levels, please pay a fair share amount between the stated annual rates.

If you're joining as an individual and your income is \$25,000 or less, your minimum financial commitment for the year is \$240. If you're joining as a household (2 adults) and your income is \$50,000 or less, your household's minimum commitment is \$540. Otherwise, you must make a sliding scale commitment based on gross income, per the chart below.

INDIVIDUAL GROSS INCOME	ANNUAL RATE	MONTHLY RATE		HOUSEHOLD GROSS INCOME	ANNUAL RATE	MONTHLY RATE
Under \$25,000	\$240	\$20		Under \$50,000	\$540	\$45
